8339 West Cavalier Drive  
Glendale, AZ 85305  
Phone: 602-803-6722

Thank you for your interest in purchasing the “Molitar Machine” Ceiling Breach and Pull Prop and the Brackets for the Ladder Raise and Extension Props. M & M Inc., is the designer and sole manufacturer of these props for the Candidate Physical Ability Test. These props were designed and built in conjunction with the IAFF and the IAFC during the validation phase of the CPAT. These are the only props tested and approved to be used with the CPAT, and any variation from the approved props would jeopardize the validation of the testing process.

The “Molitar Machine” and the Ladder Prop Brackets are distributed by CPAT Distribution, Inc. CPAT Distribution can be contacted at 844-973-7874, by fax same #, or email at [cpatdistribution@gmail.com](mailto:cpatdistribution@gmail.com).

If I can be of further assistance, please feel free to contact me at the number listed above.

Sincerely,

Michael Molitar
